Friday Family Night: Time to socialize after the Membership Meeting

Friday June 28, 2024

Since we never have enough time at a show to really talk to friends and fellow collectors, let's have a Family night! There will be a cash bar open for the membership meeting which will begin at 4:15 pm. Immediately following the close of the membership meeting, we will convert over to relaxation and conversation. Using the same space as the meeting along with outside space (depending upon the weather), there will be plenty of room to mingle and relax. We will have snacks available until 6:30 at which time the regionally renown Nelson's Chicken will have a buffet of fried chicken & shaved roast beef, along with pit-potatoes, buttered green beans, vegetarian pasta salad, garden salad, & rolls. Lemonade & iced tea will come with the meal. Other drinks will be available at the cash bar. A vegetarian meal of portobello mushroom caps w/balsamic glaze will also be available. You are welcome to stay after the membership meeting, even if you haven't purchased a ticket. Those who purchase a ticket will be given a wrist band that will give them access to the buffet line. Cash bar is open to all.
