DRIP POINTS

Henry Turner, President

VOLUME III NUMBER 3

APRIL 1975

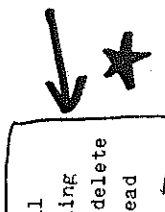

FROM THE PRESIDENT'S DESK

Dear fellow collectors: by now I am sure that most of you have heard of the sad news that Marion Milholland passed away on Friday morning, January 16, 1976. Marion was a good friend to all collectors. He has left us with a legacy. His books on Glass insulators have become the "Bible" of the hobby. His good wife, Evelyn who has traveled extensively with him and has helped him with the book, is going to continue with the updating of it. Many thanks also to Evelyn for graciously accepting to complete Marion's term as Membership chairman of the N.I.A.

A correction for the Handbook: Article 7 under General Show Floor Rules should read "Aisle dealing by the attending public will not be permitted." The Board had decided to delete the first sentence and it inadvertently got published instead of the second sentence.

One piece of unfinished business that needs our attention is Article II Paragraph 2 under our by-laws. This deals with family memberships. We have provisions for family membership but no suggestions as to cost of membership. Keeping in mind the recent increase in postage and the reality that we will probably get another raise this year, I would appreciate your comments as to an increase in dues to the N.I.A. and a fixed sum for a family membership. Whatever the majority consensus of opinion it will be placed on the ballot before the National.

This office received a copy of Bob Alexanders color chart for insulators. While I am aware that others are forthcoming, this is the first of its kind. Bob has done a fine job with it and is giving a discount to N.I.A. members. Many thanks Bob.

ATTENTION ALL SHOW HOSTS: The N.I.A. Drip Points will be happy to list your show under this column. However, it is impossible for me to find all show information and publish it. If you would, take a few minutes and drop me a card giving me the info you would like our members to know about. Send it to 519 Verdine St., El Cajon, CA 92021.

WANTED-----HELP ME PLEASE

Need for my records a copy of Vol. I Number 3 the BALLOT only. Send to Addie Taem 519 Verdine St., El Cajon, CA 92021. AS SOON AS POSSIBLE. Thanks.

Are you missing any copies of the Drip Points? If so, send a post card listing the copies you need. There are NO copies of Vol. I but have all of Vol. II and III. Some are limited so please hurry today. Send card to 519 Verdine St., El Cajon, CA 92021. If you are in need of a Handbook, send a card to Dennis McHenry, Trexend Rt. 1, Bettendorf, IA 52722. We will get them out to you as soon as possible.

FROM OUR VICE PRESIDENTS

Central Vice President-Paul Houpt

The National for 1976 is running along just fine. Be sure to get your tables reservations in NOW.

Eastern Vice President-Steve Bobb

We are in need of getting a 1976 Regional show site. The National bids for 1977 must be in before the 7th National is here. Please get your bids in NOW as the Board must approve your entire bid. Send it to Glenn Drummond, 1287 Aldrich Ave., Cincinnati, OH 45231 or call 513-522-6756.

Western Vice President-Bill Calloway

The West must still be resting up from the 6th National as to date no formal bids are in for the 1976 & 1977 Regionals and now is the time to be getting a site picked out for the 9th National bids. All information concerning the bids for Regional and National Shows are in the Handbook and more information can be obtained from Glenn Drummond. These shows are very important and must be approved by the majority of the Board members of the N.I.A.

Our nominating committee chaired by Lew Hohn deserves a tip of the hat for a fine job in getting candidates to run for office. From past experience, I know myself what a task it is to get capable people to accept the responsibility of an office. Thanks Lew, Jack, Len, and Joe.

The McDougalds are still going "full speed ahead" with their promotion of the National. I suggest those of you wishing tables or display areas send in now before they are sold out. "See you at Berea".

FROM SINCLAIR COMMUNITY COLLEGE

Rick Jones an instructor at this college had suggested an art contest be held for the college students. All posters will be used to promote the 7th N.I.A. Convention. The following students were selected winners: GRAND PRIZE-Jeanette Gormley First Place-Lisa West, Second Place-Linda Webb, Third Place-Elizabeth Clark, Honorable Mentions-Richard Haines; and Harold Disbennett. Congratulations to all who entered.

FROM THE NOMINATING COMMITTEE

Our committee consisting of Jack Snyder of Ohio, L.L. Lincoln of Florida, and Joe Maurath of Mass. and chairman Lew Hohn of N.Y. has secured the following collectors for the following offices:

FOR PRESIDENT:

*James Garrity
Box 117 R.D. 1
Paxinos, PA 17860
*Bob Alexander
205 Whitman Rd.
Winter Haven, FL 33880

FOR CENTRAL V.P.

*Dennis McHenry
Trexend Rt. 1
Bettendorf, IA 52722

Anyone wishing to add their name to the ballot, please contact Lew Hohn, 96 Birchbrook Dr., Rochester, N.Y. 14623 as soon as possible.

SHOW CALENDAR

5th Annual Insulator, Bottle, & Collectable Show & Sale. North Gate Shopping Center, 9340 Dyer & Diana. Information: Jerry Stevens, Box 6534, El Paso, TX 79912. Dates: June 12 & 13th

WORDS FROM YOUR EDITOR

An Insulator Directory is probably the most important issue the collector can have. Many long hours have been put in it to bring you a Directory worthy of its members. Our membership was treated equally. You will find the States and Countries we represent are in alphabetical order and so is your name. At the request of some members, their names and addresses are not in the directory. However, some members sent me their phone numbers and specialities.

Ask yourself this question-how much is my collection worth to me? and how much could I get for it if I had to sell it? Many will reply with 2 different figures. Yet, how much is it really worth?

We all agree our hobby is really great!! We have all met some super people of all ages and have memories we all treasure. We are in the process of building a great hobby.

Insulators are a part of the American Dream and lifestyle. Yet, with its invention to its slow demise, due to new technology, the insulator becomes more rare each day. Somewhere, someone is removing insulators, some are destroying them, and others are boxing them away.

If our hobby is so GREAT and insulators are hard to acquire, then why isn't your personal value of your collection and the actual figure near the same figure? In my own opinion, I feel it is the individual collector who has failed. When was the last show you attended? The last club meeting you attended? The last time you ran an ad? The last time you answered an ad? The last time you stood up and expressed your ideas about the hobby? Wrote an article? Held an office in a club or N.I.A.?

The big dealers are often criticized about their methods of obtaining insulators to their high prices. Even I am guilty here. Yet, without them our wide range of glass would not be available. I'm not saying to break the law (removing insulators in many States is a Federal offence and DANGEROUS too), but let's all get involved to prove to EVERYONE how GREAT insulator collecting is. Let's put some enthusiasm in to the hobby as the true value of your collection is worth only how much you put in it. A few doing alot isn't as great as a lot doing a little. "Nothing great was ever achieved without enthusiasm"

Ralph Waldo Emerson.

Dear Fellow NIA Members:

I want to take this opportunity to issue you my personal invitation to attend the 7th National Insulator Association Convention, Show and Sale in Berea, Ohio this August 20 through 22. Many months have already gone into preparing an unforgettable show. New aspects have been added to the show, including the NIA Junior Display Division (for collectors under 17 years of age), a gallery for art work related to the hobby, and a slide/sound program preparing visitors to the show for the educational opportunities they are about to experience.

Over 1/3 of the tables have been sold as of March 15, and I encourage all of you to make your reservations as soon as possible. The encouraging thing about the reservations received to date is that they are mostly from relative newcomers to our hobby. Insulator collecting is certainly on the increase. Write me today for information regarding any aspect of the show. I shall make myself available in any way that I can be of assistance to you.

The June issue - Crown Jewels will contain a four-page summary of the show information. Look for details in the upcoming magazine. Other issues within the past several months contain lots of information that time and space won't permit being discussed at length.

I would appreciate your help as far as the slide/sound presentation is concerned. Do you have a color slide of a local show or swap, your collection, or noted personalities in our hobby? If you do, and you would be willing to send it to me to include in the program, please mail it today. We would like presentations from all parts of the county. All slides will be returned.

Also, TWO charter trips to the National are being planned:

NEW ENGLAND AND NEW YORK: Contact Mrs. Gertrude Myer, 29 Franklin Road
Cromwell, Connecticut 06416

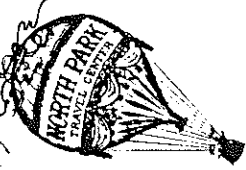

WEST COAST (north & south): Contact North Park Travel Center,
3103 University Avenue
San Diego, California (714) 232-7636
Ask for "JOHN"

I look forward to greeting you here in August! Until then, have a safe trip, good summer and excellent collecting to you all!

John McDougald
4592 Andorra Drive
North Olmsted, Ohio 44070
(216) 779-8232
