

2018 NIA National Fundraising Guitar Raffle.

If you know an aspiring guitarist or if you have an interest in a vintage electric guitar, here is your chance to own one. Charlie Maiserouille has once again been very generous and donated a vintage electric guitar as a fundraising piece for the upcoming NIA National Show. Charlie is a member of the Missouri Valley Insulator Club and we thank him for his donation.

Since this is a rather unique item, we are making raffle tickets for this item available to everyone, not just show attendees. The guitar is a Westone Model: Session II electric guitar, made in August of 1986. It will be on display at the National.

Raffle tickets are now available. Cost of tickets are as follows:

1 ticket	\$ 1.00
6 tickets	5.00
15 tickets	10.00
50 tickets	25.00
125 tickets	50.00

Tickets can be purchased by check, made out to "NIA" or "National Insulator Association". If you are sending a check, please mail to the address below and mark for "Guitar Raffle". All monies collected from this

raffle, will be to assist in funding the 2018 NIA National Show & Convention. If you pre-purchase tickets, your half of the ticket will be mailed to you. Any order for tickets done via mail, must be received by Saturday, June 23, 2018. It is suggested that if you send your request in by mail, that you do so by June 15, 2018.

Raffle tickets will also be available at the National show up till the time of the drawing. This drawing will take place at 11:30 AM on Sunday June 24th. We hope to have the drawing done "live" on Facebook. As stated before, the winner will not have to be present and if the winner is not at the show, the guitar will either be delivered or mailed insured, depending upon location and/or the availability of a direct delivery option.

Thank you in advance for your contributions to this fund-raising project. If you have any questions, contact information is below.
